The 3 R's Project: Reduce-Reuse-Recycle

We are children, but we know the importance of saving our Planet!

**It is important to keep our
Planet green, with no air
pollution!**

No soil pollution!

And no water pollution!

**REDUCE, REUSE
AND
RECYCLE
EVERYTHING
IN
YOUR LIFE**

**Let's Make our Entire
Life More Eco Friendly
by Reducing, Reusing,
and Recycling all
Aspects**

**Let's help our families
be more eco friendly
with these tips on how
to reduce, reuse and
recycle everything in
our life!**

Mail, Newspaper
& Magazines

Food
Boxes

Glass & Cans

new!

Plastic
Bottles

Phone
Books

All
Together Now

Cardboard

new!

**Throw litter inside the correct
waste bins!**

These are examples of what we can reuse and recycle!

Glass, cans, plastic, paper, cardboard can be recycled!

**Our contribution is “Please,
learn to:**

**And please remember the
most important “R”:**

What else can we recycle?

Tyres!

Car Batteries

Batteries

CDs

Print cartridges

Old mobile phones

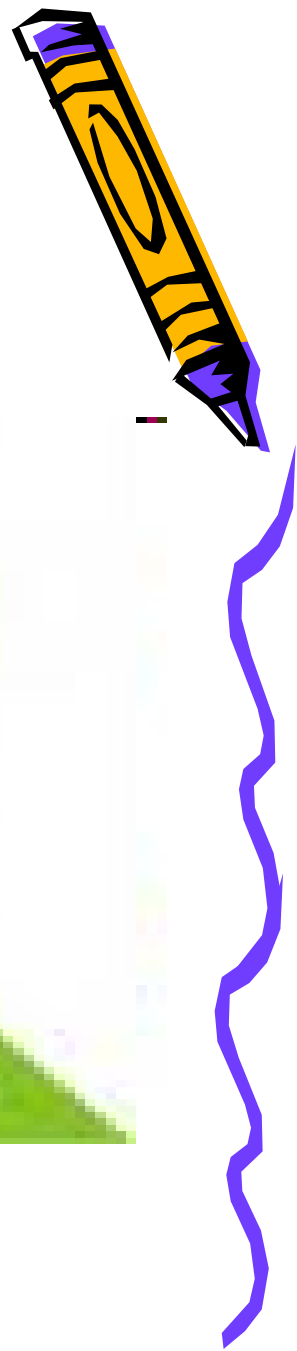

Even old Personal Computers

Then... Keep green our home...

... And stop saying “I wish”, start saying “I WILL”!

START

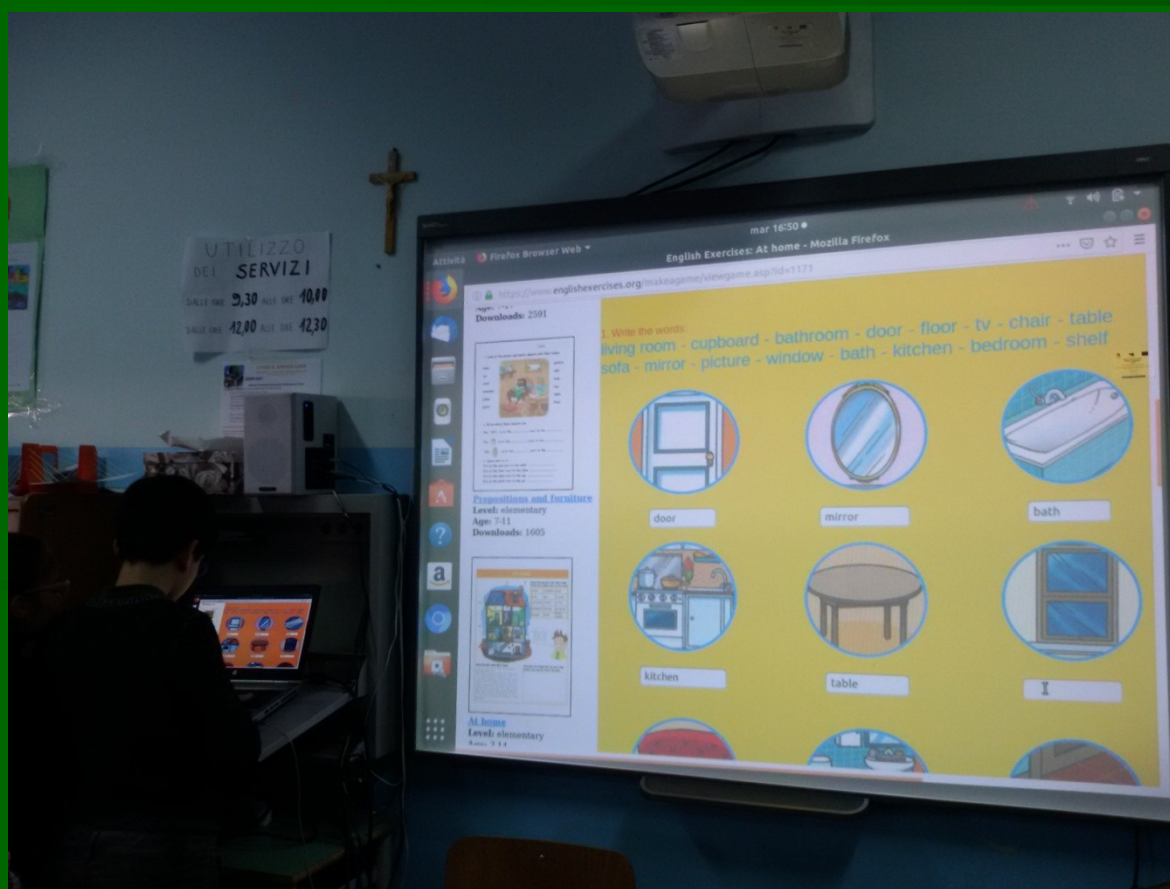

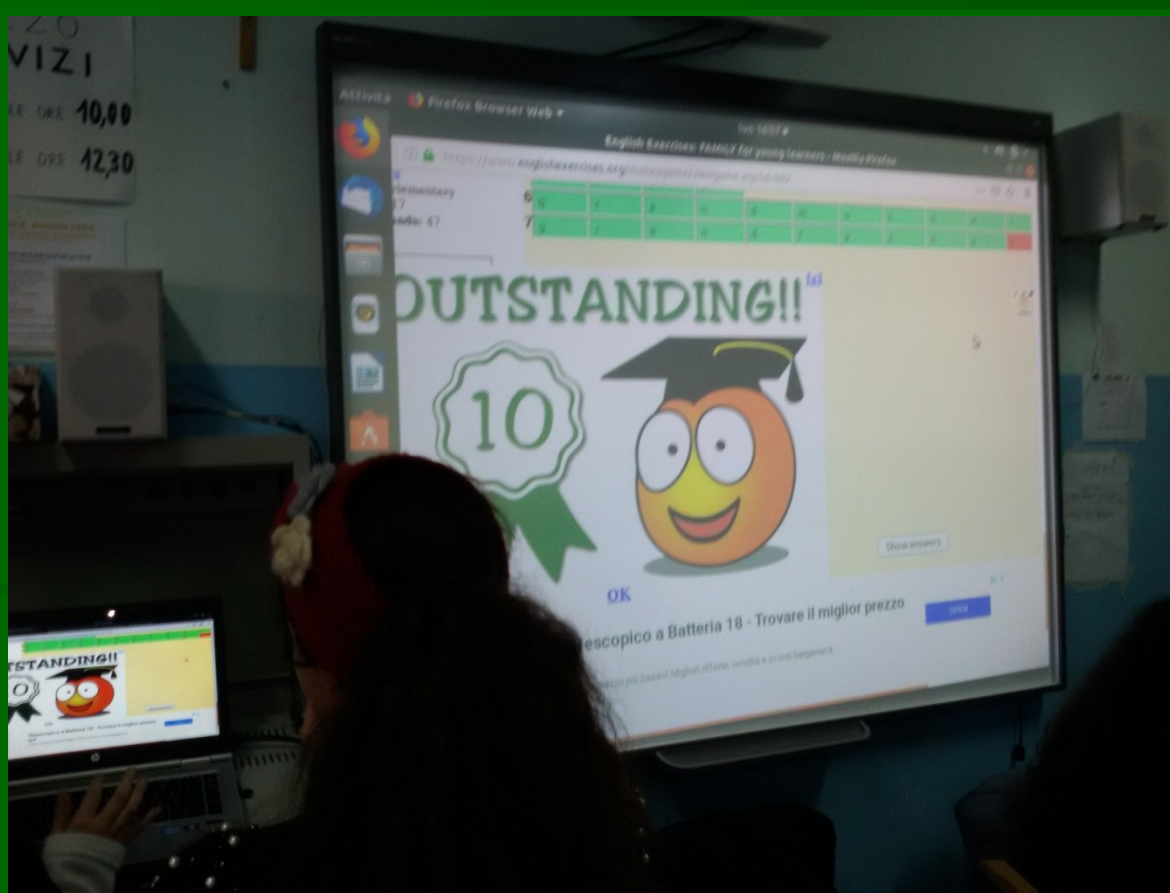

Some memorable moments we spent together:

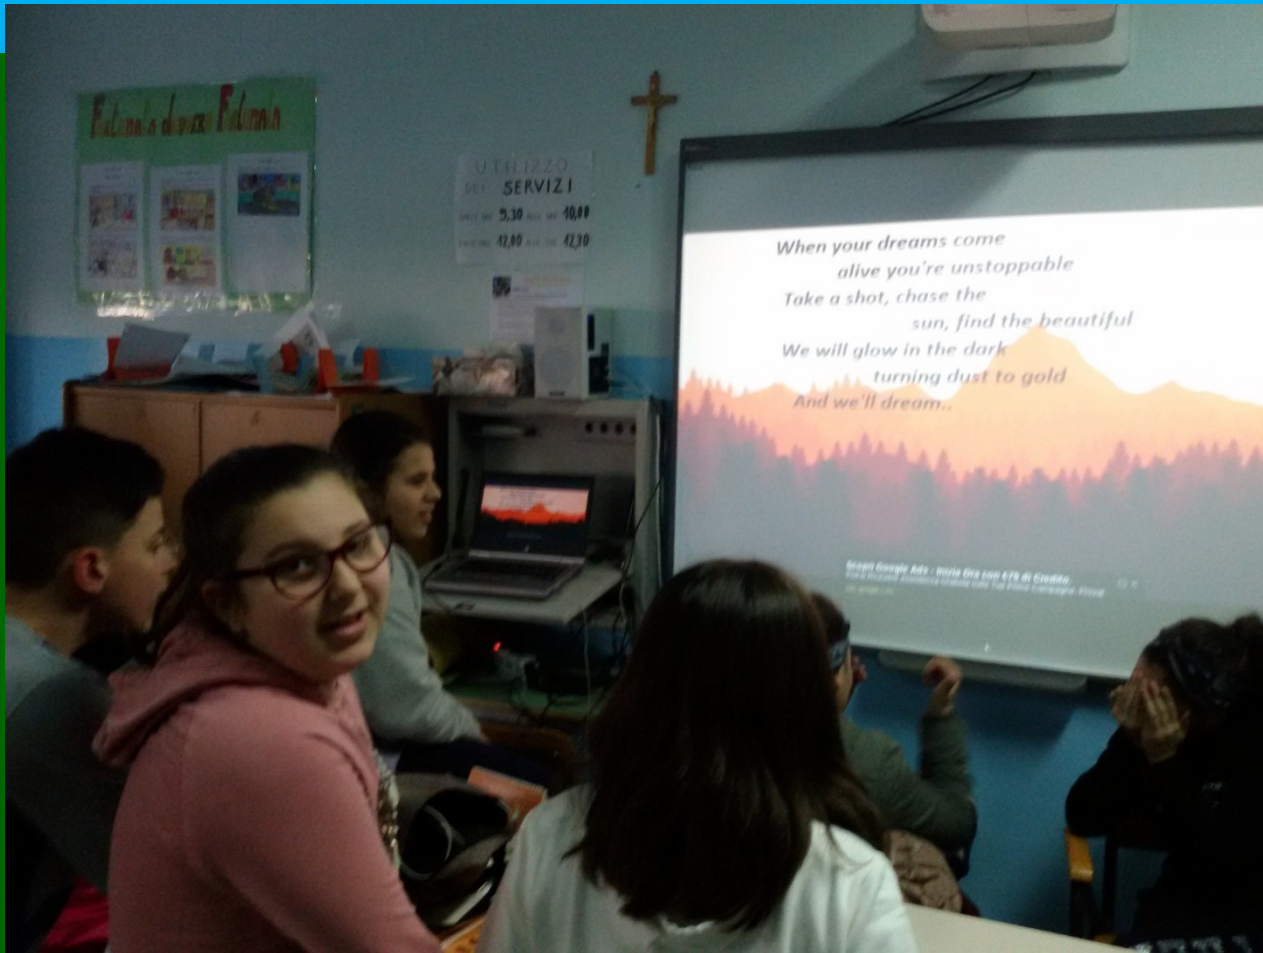

Practising at the whiteboard

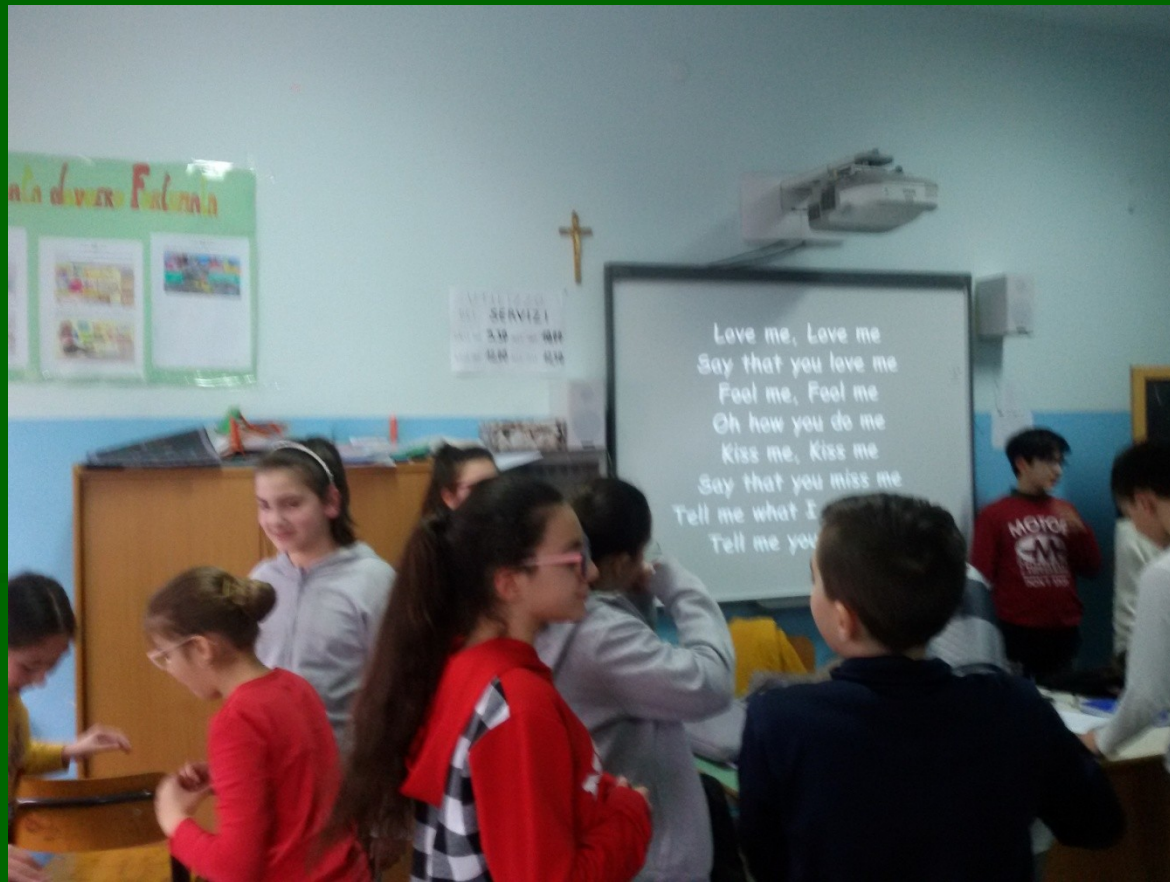

and verifying our very good results!

We had fun singing altogether

our favourite songs

and dancing, as well!

Hobbies and Sports

Jobs and Clothes

Classroom Objects

Holidays and Travels

**We will always love and respect
the Nature that is around us,**

even thinking of our holidays!

Hi Mum! I'm having fun at the camping!!!
Every day we walk in the woods. At night we sit around the fire, cooking and playing the guitar.
